LIP CARE

This classic lip balm has a smooth and rich pay-off, absorbs quickly, nourishes the lips, and leaves a protective film. The formula has a natural matte finish, that is perfectly suitable for all ages and genders.

Procedure

Combine phase A ingredients and heat to 85-90 °C. Premix phase B and heat to 60-70°C. Stir until a clear solution is obtained. Add phase B to A under stirring. Cool to 75 °C, add phase C, and fill into molds.
